APPLICABLE : Eggy 100

Learning to read can be easy and fun! Reading Eggs makes learning to read interesting and engaging for kids, with great online reading games and activities. And it really works! Children love the games, songs, golden eggs and other rewards, which keeps them motivated.

Reading Eggs Eggy Words 100 is a FREE application designed to help children recognise and learn sight words. Sight words are words that readers should know automatically "at sight", such as he, the, was and where. This is a sample version of what is featured in Eggy Words 250. You will receive access to the first 100 of 250 sight words using a fun and motivating game to keep kids learning.

Reading Eggs Eggy Words 250 includes 10 levels with 25 words each, making a total of 250 sight words. Learning to read is an important milestone in every child's life. Knowing these sight words makes fluent reading easier, which lets the brain focus on the real enjoyment of reading

Eggs Words is brought to you by the team behind the popular educational website Reading Eggs. Developed by educators with more than 20 years experience, the program comes highly recommended by parents and teachers worldwide.
